

This year's Derby & Arama is:

Saturday, April 14, 2012

. The set up for the Arama is Friday, April 13, 2012 from 7:00 pm – 9:00 pm at Illiana Christian High School. Derby registration will be from 11:00 am until noon on Saturday. Arama Awards will be from 12:00 to 12:30. Races will begin at 12:30. Every car entered in the races must have a boy to race it. Every club is allowed 2 boys for race and 2 for show from each grade and 2 for race in the open class. Counselors are needed to work on Saturday. Each club who enters cars in the Derby is asked to provide at least 3 counselors or junior counselors to work on Saturday and at least 3 business ads for the program booklet. A work schedule will be handed out on the Friday night before the derby. Enclosed in this packet is the following:

- Club Registration & Volunteer List **Due by March 24, 2012**

ILLIANA CADET COUNCIL DERBY & ARAMA 2012

Model Car Derby Construction Rules

1. Each cadet shall be allowed to construct one car with the aid and advice of his father and/or counselor.
2. All cars shall be constructed from only one current official car kit, available through the council quartermaster.
3. The wheel base, ground clearance, and distance between the wheels (tread) shall not be altered.
4. The car shall not weigh more than eight ounces.
5. All weights must be built into the car, no glued or taped on weights will be permitted.
6. Cars with loose parts or cars with loose parts due to poor construction practices will be disqualified.
7. Wheels, axles, and body components must be those from the official kit. Use of any parts or materials other than those specified will result in disqualification.
8. Four washers are included in the kit, one washer shall be placed behind each wheel to act as a spacer to reduce wheel rub against the body.
9. Decorative accessories are to be formed from the materials listed (see materials list). No plastic model parts are permitted. No decals may be used except for official identification numbers assigned by your counselor.
10. The following materials are not included in the official kit, but may be used in the construction of your car:
 - Glue
 - Paint or finishing material
 - Wood Filler or plastic wood, used only under these conditions:
 - It is used as a surface preparation for sanding and final finishing.
 - It is not to be used as a molded material to build up, form or mold some part of the car.

Body style is a matter of choice. Be sure you follow the rule of wheel base and the rules on materials and their uses.

NEW RULE: The cars may not exceed 3 inches in width (from center of car in both directions cannot exceed 1 ½ inches).

THESE RULES ARE FOR BOTH RACE AND SHOW CARS.

If you have any questions, ask you counselor, he will be able to get the answer for you.

Materials List

1 wood body block
4 plastic wheels
4 wood screws (axles)
4 small washers

Optional Materials

(included in kit to
form accessory parts)
1 Lattice strip
1 dowel

The Entrant can only be in 1 Category. Race or Show, Not Both!!!!

Each car in the derby **must be numbered** as follows: the number on the car will be preceded by the letter found at the left of the club's name and number listed on the next page.

The first numeral after the letter will identify the grade group of the car's owner, so 2 indicated junior cadet, 4 for 4th grade, etc.

Additional numbers are assigned to distinguish between the cars of the same age group and same club. For example: BB72 indicates a car from the Cottage Grove CRC club, belonging to a 7th grader, and is from a group of at least 2 cars.
